ABOUT VACHANA EDUCATION AND RESEARCH CENTRE

Vachana Education and Research Centre incorporates knowledge, research and industry experience to offer comprehensive educational programmes like Diploma courses in all fields of management with a vision to create thoughtful business leaders who can create and manage 'powered with values' organizations in the modern materialistic corporate world. Practical training and mentorship helps those confused students who are not able to make a choice out of the career options available to them with career assistance course for a week. Vachana offers Coaching in various school subjects, diploma in various management specializations. Vachana also encourages innovative research to explore basic values embodied in Indian culture and their relevance in growth of the country.

ABOUT THE CONFERENCE

Through this conference, various religious and philosophical traditions will be discussed . Their relevance in the modern era will be main focus of the discussion.

The conference aims at initiating an in-depth and comprehensive debate and deliberations of acceptable standards regarding present status, challenges and issues confronting the present Indian management environment.. The conference is expected to strive to bring academicians, researchers, economists, professionals, practitioners, scholars and policy makers together on one platform, for exchange and sharing their experiences, ideas and research results, related to different aspects of ethics and values in business.

OBJECTIVES

1. To provide a unique forum to present and deliberate research based knowledge among academicians, philosophers, management practitioners and policy makers in the fields of management systems.
2. To explore the layout for fitting in traditional value system of great Indian philosophies in the modern management era.
