Terms of Service

Please Read Carefully Before Using This Website: The following terms of service ("Terms of Service") govern your use of the AppIntegrate website (the "Site") and the AppIntegrate web-based, application integration and data linking service accessed through the Site ("Service"), both of which are operated by AppIntegrate, Inc. ("AppIntegrate" or "we"). By using the Site and/or the Service, you irrevocably agree that such use is subject to these Terms of Service. If you do not agree to these Terms of Service, you may not use the Site or the Service. If you are entering into these Terms of Service on behalf of an entity, you are binding such entity to these Terms of Service, you represent that you have the actual authority to bind such entity to these Terms of Service, and references to "you" mean such entity. For purposes hereof, the "Site" includes all subdomains and components of the AppIntegrate website, including without limitation the AppIntegrate Community. AppIntegrate expressly reserves the right to modify the Terms of Service at any time in its sole discretion by including such alteration and/or modification in these Terms of Service, along with a notice of the effective date of such modified Terms of Service. If a revision meaningfully reduces your rights, we will use reasonable efforts to notify you (by, for example, sending an email to the billing contact you designate in your User Account (as defined below), through your User Account or in the Service itself). To the extent you have purchased a subscription to the Service, the modified terms will be effective as to such subscription Service upon your next subscription renewal. In this case, if you object to the updated terms, as your exclusive remedy, you may choose not to renew, including cancelling any terms set to auto-renew. In all other cases, any continued use by you of the Site or the Service after the posting of such modified Terms of Service shall be deemed to indicate your irrevocable agreement to such modified Terms of Service. Accordingly, if at any time you do not agree to be subject to any modified Terms of Service, you may no longer use the Site or Service.
